Dear Peter and Eletson Team,

Morning.

As the Handling Charge for “adjust M/V Folegandros and M/V Kastelorizo’s charterhire payment from monthly in advance to monthly in arrear” is received, we hereby confirm aforesaid adjustment will be valid from May/2020 to November/2020. Please make sure that all the hire payments will be timely and fully arranged.

Please note that such adjustment is ONLY a provisional measure held by OFI in good faith. It should NOT be considered as a customary action. And such adjustment does NOT change any Charterers and Guarantors’ responsibility under the existing contract and project related document. OFI and Owners reserve all rights.

Thanks and best regards.

Dear Peter,

Hope this email finds you well.

Regarding your previous email, please kindly note that we just completed the internal review process for Eletson's application for further extending M/V Folegandros and M/V Kastelorizo's charterhire payment in arrear for another SIX(6) months. And OFI will officially approve and send you the written confirmation for further extension subject to receiving your US12,000/vessel handling charge.

Considering above, we hereby attached the invoices for Eletson's remittance. Due to the tight schedule, your soonest action is required.

OFI and the owners reserve all rights under existing charterparties and project related document.

Thanks and best regards.

Subject: Eletson Charter Hire Payment

Dear Josh,

I hope you and the team are all well and keeping healthy.

I would like to request a six month extension of our extended payment terms for the monthly charterhire. As we have worked through negotiations with the bondholders cash was strained due to legal and advisory fees. Will make sure to keep you informed of our progress.

We greatly appreciate the patience and support of our friends at OFI. Thank you.

Kind regards,

Peter
